Find Materials in hoopla
1. You can click SEARCH at the top to find specific titles, people, series, or keywords.

2. You can click BROWSE at the top of the screen to browse Audiobooks, Movies, Music, Comics, etc. Then browse the Recommended, Featured, Popular titles or browse the Categories.
Borrow Materials from hoopla
Once you have found an item you would like to borrow, click on or hover the mouse over the cover image, then click on the BORROW button.

Play hoopla Materials
hoopla supports all major browsers, which include Google Chrome, Edge, Firefox, and Safari. However, we recommend using the latest version of the Chrome browser to ensure you have the best possible user experience without having to install additional plugins.

If you are using a browser other than Chrome, check out the plugins you need to play video and audio on your browser at https://www.hoopladigital.com/help > Need Some Help?.

Click on the PLAY button to stream the material. Want to access it later? You can always stop and resume playing where you left off at a later time.

Return Materials
You can view your borrowed materials by clicking MY HOOPLA at the top of the screen. Borrowed titles can be returned earlier by clicking RETURN NOW located under the Return date on the item information page.

Returns automatically on Tuesday, February 26, 2019, 11:46 AM MST

Note: Returning a title early does not give you additional borrows for that month.

Change Your Account Information
To change your account information (email address, password, etc.), sign in to hoopla and click on SETTINGS at the top right of the screen. Change your profile information and save changes.
