St. Albert Public Library launches eBestseller Express

ST. ALBERT — If you're an eBook reader and you love to read bestsellers, St. Albert Public Library's new eBestseller Express offers you fun, random opportunities to get your hands on a new eBook without having to wait in line.

The eBestseller Express works the same way as the Library's popular Bestseller Express – while the Library may have multiple copies of bestsellers that have a waiting list, we also keep one copy that can't have holds placed on it. If you're lucky enough to see a high-demand book on the Bestseller Express display in the Downtown or Jensen Lakes libraries or on the eBestseller Express page on the SAPL website, you can skip the waiting list and sign it out on the spot, for a shorter loan period.

St. Albert Public Library patrons can find the eBestseller Express at www.sapl.ca/eLibrary and then clicking on Overdrive. All available eBestsellers will show at the top of the screen and can be signed out immediately with your Library card – patrons are allowed to check out one eBestseller at a time. The eBestsellers available change hourly, as patrons check them in and out online, so you will want to visit Overdrive frequently. We ask that you please cancel your existing hold if you find the book you've been waiting for on the eBestseller Express!

If you're new to using SAPL eResources, please call or visit the Adult Services desk on the second floor of the Downtown Library at 781-459-1682. Staff will be happy to assist you in getting started on your exploration of the many eBooks and other eResources that are available to you free with your Library card. Remember, memberships are free for St. Albert residents!
